What is a DallasHR Strategic Partner?

A strategic partnership is a year-long (12 months) commitment for vendors who want to receive the maximum value (ROI) out of their investment. Instead of having one opportunity to reach out to the membership, the strategic partner has multiple connections throughout the year.

DallasHR Strategic Partners

These partnerships are limited - a total of 14 strategic partners can be involved in the program at one time.

Diamond Level – 4 partners

Ruby Level – 2 partners
