COMMUNITY CONNECTION

Chapter Population Reaches 8 Year Record High
DallasHR has seen a 5% increase in membership since 2017,

making our population more than 2,100 members! Much of this growth is due to the premier education received and connections made by our members in the prior years and the growth of businesses in our area. The last time membership exceeded 2100 was in May 2010.

Impact the Community & Meet Our Members

DallasHR is proud to support the Wilkinson Center as the 2018 Chapter Community Outreach Project.

Throughout the year our HR community will band together to share knowledge, time, and resources to

make an impact on our local community.

The Wilkinson Center's mission is to transform the lives of Dallas families by providing pathways to self-sufficiency with dignity and respect. They fulfill that mission by helping families face critical life challenges including food insecurity, lack of education, economic instability, unemployment and underemployment. Share your HR expertise at one of the upcoming outreach efforts. Watch for updates on current or new efforts posted in HRConnect by President Elect, Mark Waller CSP, PHR, SHRM-CP. [View the upcoming volunteer opportunities.](#)
