Board of Trustees Announce New Position and Appointment for Diversity, Equity, and Inclusion

Dallas HR Management Association's (DHRMA) Board of Trustees are pleased to announce the addition of a new board

position, Strategic Advisor for Diversity, Equity, and Inclusion (DE&I) and the appointment of David Comeaux, CNP, SHRM-SCP, SPHR, Assistant Vice President of Workforce Diversity & Inclusion for Dallas/Fort Worth International Airport who will fill the position in 2021, its inaugural year.

David is no stranger to DallasHR. He previously served in volunteer roles for both the chapter and the HRSouthwest Conference. He has also volunteered with SHRM and currently serves on the Texas Diversity Council Board of Directors.

"I am honored for this opportunity. During this seminal time in our country, Human Resources will face a growing expectation to take the lead with a clear and transparent strategy to support DE&I. In my opinion DallasHR is the best chapter in the country and adding DE&I to our repertoire gives us a chance to enhance our offerings to our members and to further our outstanding reputation."
