Recruiting 101: Arm Yourself – The War on Talent is Here!

The war for talent intensifies as the demand for high-skilled, qualified talent is on the increase. Help your organization secure the right people for the right jobs. This [three-day virtual seminar](#) is designed for new recruiters, those that dabble in areas of recruiting as part of their responsibilities or those that need a refresher in the basics of finding, attracting and hiring talent in today's competitive market. Broken into three important sections, each day provides an in depth look at different areas of recruiting. Attend all three days and earn 12.75 credit hours.
