Meet In-Person at Topgolf The Colony in June

Gathering together will look and feel a bit different than the last time the Chapter held an in-person event, in February 2020. Thanks to an outdoor venue proven to provide a safe atmosphere, highest standard of

cleanliness, and safely spaced golfing bays, DallasHR hosts its first in person event this June at Topgolf The Colony with networking and a golf tournament to support the DallasHR Chapter Grant Fund. And we are not the only Texas SHRM Chapter venturing out for fundraising on June 10.

The following chapters will play at their local Topgolf locations on the same date and time to raise funds and beat the scores of other participating chapters live during the event! You will be playing with Austin HR Management Association, Fort Worth HR, San Antonio HR Management Association, Mid-Cities HR Association and El Paso SHRM for a little friendly competition.

Win \$10,000! Be sure to stop by the Hole-In-One bay to take two swings for an opportunity to win \$10,000. All you need is a hole in one. Two chances per golfer.

Since 2019, the Chapter Grant Fund has awarded \$18,943 in educational grants to thirty-two deserving members who wanted to advance their HR careers but had limited means to do so. The pandemic has affected 2021 grant funds and HR professionals' needs are great. A portion of your ticket will be used to help bring back our traditional grant offerings.

We would like to thank our sponsors: High Profile (award sponsor), Simon Paschal, LLC (bar sponsor), and the following bay sponsors HerrinHR, Intelgica, Lone Wolf Technologies, Lockton Dunning Benefits and Workday for their support. More sponsorship packages are available. **Find out more.**

Join us June 10 for this special fundraiser at Topgolf. Various ticket options are available online and opportunities are limited.

Chapter Transitions Back to In-Person Events

After nearly 16 months of virtual education and networking, DallasHR has established a plan to transition back to in-person events while still offering a virtual option for some events. Event venues chosen will follow established safety protocols based on the current recommendations of local, state and national guidelines.
